RE: Golf Carts

Beginning Monday July 13<sup>th</sup>, golf cart fees will be charged as mandated by the Fairfield Commission years ago. The price of an 18-hole rental will be \$36.00 and the cost of a 9-hole rental will be \$28.00. These costs will apply if you ride solo or with someone else. Presumably, the second rider in the cart will reimburse the individual that paid for the cart but that will be left to the individuals to decide. Please note this is NOT a price change. The only change is that the pro shop no longer will have the ability to charge for half of a cart.

Please pass tis along to your groups. Thank you.
