RE: Golf Carts

As of Wednesday June 17<sup>th</sup>, the State of Connecticut is allowing dual passenger carts. We would strongly encourage you to use dual passenger when playing at HSR to avoid the unfortunate circumstance of us running out of carts, which has been occurring on a daily basis. In addition, using dual passenger carts reduces the wear and tear on the golf course. That being said, we are aware that some of you are still uncomfortable sharing a cart as we continue to combat the on-going pandemic. If you are truly uncomfortable, please let us know and we will provide you with a single passenger cart subject to availability.

Also, as you are aware, we are in the midst of our clubhouse construction and things are a bit chaotic when securing a cart. Please use the bag drop area located near the port-o-johns in the far corner of the parking lot. After checking in with the starter and being assigned a cart, please pick up your bag at the bag drop area. **DO NOT DRIVE THE CART IN THE PARKING LOT.** At the completion of play, you may drive your cart to the bag drop, drop your bag, and return your cart to the staging area. **PLEASE DO NOT LEAVE YOUR CART AT THE BAG DROP.**

And one last reminder, **GATHERINGS IN THE PARKING LOT ARE NOT PERMITTED** and will be terminated by the HSR staff.

Your cooperation is greatly appreciated.
