# H. SMITH RICHARDSON MEN'S CLUB TOURNAMENT GUIDELINES

## ETIQUETTE

Proper Golf Etiquette should be maintained by all. Golf is a much nicer game when we respect the course and other players using it. Be considerate of others and help maintain the beauty and playability of our course by replacing divots, raking sand traps and repairing ball marks on the greens. Observe all rules posted by the Town of Fairfield regarding cart paths, dress code, etc.

## WEEKEND TOURNAMENTS

Most weekends, there will be designated events with Scoring Summary sheets posted on the large scoreboard outside. All members are required to post their name(s) on the tournament scoreboard prior to teeing off. Tournament formats will vary, with most tournaments establishing winners in Gross and Net divisions. The Tournament Chairman will be responsible for running weekend Tournaments. Any questions regarding these tournaments should be directed to towards the Tournament Chairman.

## SCORING PROCEDURES

**Tournament scores must be posted on the scoreboard, and scorecards must be signed, attested and dated. Adjusted scores must also be posted in the computer. Failure to comply with scoring procedures will result in disqualification.**

## TOURNAMENTS

Every player competing in a Men's Club tournament, or representing the Men's Club in an outside tournament, must appear for his scheduled tee time and post a score. Any player who fails to do so without just cause shall be barred from competing in next year's tournament upon majority vote of the Officers and Board of Governors at the next regularly scheduled meeting. This rule supersedes any previous rule.

Each Outside Tournament will have a Designated Tournament Coordinator who will be responsible for running the particular event. Any questions regarding these tournaments should be directed towards the Tournament Coordinator and/or the Outside Tournament Chairman.

## HANDICAP

All members will receive handicaps provided by the GHIN system. The system currently defaults all of our members to our "White Tee" rating. If you desire, the Handicap Chairman can default your GHIN number to the Tee Box you normally play.

## SCORE POSTING & WEEKEND EVENTS

All members are required to post their adjusted score in the computer. All scores (9 and 18 hole) should be posted. Any member that doesn't post a tournament score will be disqualified from that tournament. Furthermore, you will receive a "Penalty Score" from the Handicap Committee. Members that habitually fail to post scores are subject to receive steeper penalties. Penalties can include additional "Penalty Scores" and exclusion from future tournaments.

## RULES

USGA rules will govern all play unless otherwise established by our "Local Rules" and/or Tournament Committee. Rulebooks are readily available in the Pro Shop. Failure to comply with the Rules of Golf will result in penalties being assessed and/or disqualification from tournaments.

## SLOW PLAY

**SLOW PLAY will not be tolerated. Players can and will receive warnings from Golf Course Rangers, Tournament Committee and/or the Pro Shop. Players habitually disregarding this policy may be excluded from future club tournaments. Players may be suspended from Men's club**
