# H. SMITH RICHARDSON MEN'S CLUB TOURNAMENT GUIDELINES

## ETIQUETTE

Proper Golf Etiquette should be maintained by all. Golf is a much nicer game when we respect the course and other players using it. Be considerate of others and help maintain the beauty and playability of our course by replacing divots, raking sand traps and repairing ball marks on the greens. Observe all rules posted by the Town of Fairfield regarding cart paths, dress code, etc.

## WEEKEND TOURNAMENTS

Most weekends, there will be designated events with Scoring Summary sheets posted on the large scoreboard outside. Tournament formats will vary, with most tournaments establishing winners in Gross and Net divisions. The Tournament Chairman will be responsible for running weekend Tournaments. Any questions regarding these tournaments should be directed to towards the Tournament Chairman.

## SCORING PROCEDURES

**Tournament scores must be posted on the scoreboard, and scorecards must be signed, attested and dated. Adjusted scores must also be posted in the computer. Failure to comply with scoring procedures will result in disqualification.**

## MAJOR TOURNAMENTS

We have designated several events as Major Tournaments. Scoring procedures remain the same as a weekend event. Any player who fails to show for an "Established Tee Time" or any player who begins a tournament and fails to complete the appropriate rounds (without an adequate reason), can and will be subject to disqualification from future club events. Penalties for "No Shows" will be suggested by the Tournament Committee and presented to the Officers and Board of Governors at the next monthly meeting. Final decisions will be at the discretion of the board.

## OUTSIDE TOURNAMENTS

There are several events where we send players to participate in tournaments outside our course. We expect all players to represent themselves, and our club, in a dignified manner. Any player who knowingly and willfully abuses this policy may be subject to exclusion from participating in Outside Tournaments in the future. Furthermore, any player who fails to "Show Up" at a particular event (without adequate reason) may be excluded from future Outside Tournaments for a period of one year. Final decisions will be at the discretion of the Board.

Each Outside Tournament will have a Designated Tournament Coordinator who will be responsible for running the particular event. Any questions regarding these tournaments should be directed towards the Tournament Coordinator and/or the Outside Tournament Chairman.

## HANDICAP

All members will receive handicaps provided by the GHIN system. The system currently defaults all of our members to our "White Tee" rating. If you desire, the Handicap Chairman can default your GHIN number to the Tee Box you normally play.

## SCORE POSTING

All members are required to post their adjusted score in the computer. All scores (9 and 18 hole) should be posted. Any member that doesn't post a tournament score will be disqualified from that tournament. Furthermore, you will receive a "Penalty Score" from the Handicap Committee. Members that habitually fail to post scores are subject to receive steeper penalties. Penalties can include additional "Penalty Scores" and exclusion from future tournaments.

## RULES

USGA rules will govern all play unless otherwise established by our "Local Rules" and/or Tournament Committee. Rulebooks are readily available in the Pro Shop. Failure to comply with the Rules of Golf will result in penalties being assessed and/or disqualification from tournaments.

## SLOW PLAY

**SLOW PLAY will not be tolerated. Players can and will receive warnings from the Rangers, Tournament Committee and/or the Pro Shop. Players habitually disregarding this policy may be excluded from future club tournaments. Starting this year players may be suspended from Men's club tournaments for being deemed a slow player.**
